

PORK QUALITY ASSURANCE PLUS® ADVISOR TRAINING AGENDA

Goal

To enable PQA Plus Advisors to certify every individuals and assess every site the same way every time.

Objectives

As a result of this training session, the PQA Plus Advisor will be able to:

1. Review primary components of the PQA Plus program (certification, and site assessment)
2. Describe and express the importance of the pork industry's We Care initiative.
3. Train individuals in all PQA Plus program content.
 - Review content of the We Care Ethical Principles and the Good Production Practices.
 - Express awareness of changes and additions to PQA Plus content.
 - Recall how to access the PQA Plus password – protected website as well as program and resources materials.
 - » Grant access to online PQA Plus Training
 - » Explain the multiple options for PQA Plus online training courses.
4. Explain the process of conducting a site assessment.
 - Review all PQA Plus Site Assessment Criteria
 - Recognize and explain the endorsement process.
