# Four Winds Farm

Join us at **Four Winds Farm** in Fitchburg, WI, for an informative and hands-on Sheep Lambing Workshop! This comprehensive workshop will cover essential topics such as biosecurity, animal health, and nutrition to ensure your flock thrives. Learn about the necessary lambing supplies, the phases of lambing, and effective lamb processing techniques. Additionally, we'll delve into pasture management and the crucial skill of parasite fecal egg counting. Whether you're a seasoned shepherd or new to lambing, this workshop is designed to equip you with the knowledge and skills to successfully manage your flock. Don't miss this opportunity to enhance your lambing expertise in a supportive and engaging environment!
